**Рассказ: A mouse**

A hungry skinny mouse made a hole in the barn floor to get inside. There he ate a lot of corn. His stomach swelled up like a drum.

Now he wanted to get back home and climbed into the hole. Then his head got through, but his stomach got stuck. The mouse tried hard to get out but all was in vain

In the morning a cat came to the barn. She caught the cat and ate him.

There is a saying about losing one's head due to one's greediness.
